

Anti bullying week

At St. Cecilia's we had a special anti bullying week. In St. Cecilia's bullying is not accepted. We all want the school to be a happy place.

All the pupils did a quiz about bullying and what you should do about it. We have 7 golden rules at our school which we all have to keep to make everyone feel comfortable.

In the week we had special blue day. Pupils were allowed to wear their own clothes [only blue ones though]. One pupil said Blue day was a lot of fun.

In the week one class did a special assembly about bullying. In this assembly some children made a special song about how to stop it.

Lots of children thought the week was really helpful and fun. Now children know to do when they are being bullied.
