Newsletter

Dear Parents,

Welcome back and a HAPPY NEW YEAR to you all. Severe weather conditions are predicted for January. If in doubt you can check if the school is open by visiting www.sutton.gov.uk. Choose Emergencies and select OpenCheck. (In severe weather conditions the information may come up on the home page.) This information will also be available by phoning 020 8408 7508. You will then be asked for our school DCSF code which is 3193500 and the information will be given to you by recorded message.

Parent Mail

As this is the first newsletter of the term we are sending it out in hardcopy and by email. If you do not receive a copy by email you are either not registered with us or the email address we have is incorrect. If you would like to be added to our list or you are not getting emails from us please let us know by giving your details to the school office.

Book Vouchers

In addition to 'Times' Books for School vouchers we are also collecting 'Box Tops for Books' vouchers found on Nestle cereal boxes such as Cherrios, Shreddies etc. The tokens need to be redeemed by 21st March 2010. All collecting boxes can be found outside the school office. Thank You

Used Postage Stamps

A box has also been placed outside the school office for used postage stamps for the charity Guide Dogs for the Blind. Please help us to fill it.

Winter Sickness

It's the time of year when the 'winter sickness' is prevalent in schools. The advice given from Sutton Health Authority is that children should remain off school for 48 hours after being sick to try and reduce the spread of the virus.

Parking

As a school it is important we try to make and maintain cordial relationships with our neighbours and local community. A major cause of complaint is parking, particularly when parents park across driveways. Please be considerate when parking in the roads around the school. No parent should be using the school driveway in Clarkes Avenue to drop off children.

Please see below for an updated calendar of events for the remainder of the year and also the term dates for 2010/11. There are still a small number of events still to be arranged.
